### **REMARKS**

The Examiner indicated in the communication dated March 16, 2005 that Applicant's Amendment filed on January 18, 2005 is considered non-compliant because it fails to meet the requirements of 37 CFR 1.121. The Examiner requested that a response be submitted within one month to correct the status identifier for non-elected claim 24. Accordingly, Applicants submit herewith a corrected claim set in compliance with 37 CFR 1.121, which indicates claim 24's status as "withdrawn".

Further, Applicants thank the Examiner for his comments and guidance in a telephone call with Applicants' representative on April 6, 2005. As agreed in that call, item number 2 of the Examiner's communication (see page 3) was erroneously included in the Communication and does not apply to the pending application.

Reconsideration of the present application and allowance of the pending claims in light of Applicant's remarks dated January 18, 2005 is respectfully requested. Should any issues remain unresolved in this application, the Examiner is invited to contact the undersigned at (215) 557-5966.
